## FILEMAKER PRO TRAINING

---

### OUR COMPANY

infoLink inc. has been designing, testing and building FileMaker Solutions for over 15 years. We are proud to say that our clients are as varied as the solutions we build. We are excited to share our knowledge and expertise with you and welcome you to any of our professionally designed courses.

All our courses are designed by industry professionals who have combined many years of experience and knowledge to form innovative classes that seamlessly blend theory and practice.

All our course offering includes complimentary coffee, tea, juice and lunch.
